

■ Anchor Chart Game Templates

■ Jeopardy Game Board

Use this grid to write categories across the top and point values (100–500) in each column. Students answer questions using your anchor chart.

Category 1	Category 2	Category 3	Category 4	Category 5
100	100	100	100	100
200	200	200	200	200
300	300	300	300	300
400	400	400	400	400
500	500	500	500	500

■ Scavenger Hunt Sheet

Students walk around the room to find answers on anchor charts. Add your own prompts in the blanks.

Find a word that means _____
Find a synonym for _____
Find a word that shows cause and effect _____
Find a transition word _____
Find a word related to our science unit _____
Find a challenging word you want to learn _____

■ Sentence Starter Cards

Cut out cards and give to students for speaking and writing practice.
