## Visual literacy

- It's not a skill, but uses a skill as a toobox (the skill is awareness)
- critical thinking and intercultural education
- Norton and identity
- mercator map

- Gall-Peters projection (1973)
- Joaquin torres garcia

## Learning objectives (GRISELDA)

## - United nation map

- Mapping and remapping
- "suppose columbus" (by Charles Suhor)
- **Multicultural** (it's what's existing => matter of fact) / **interculture** (it's action conscious educational work)
- Council of europe (2001, 103-104): theory behind CLIL

## Working with images
