Reminder on Student Behaviors

As a part of our CAVS expectations, we always encourage students to Choose Kindness! Mean and hurtful words too often are spoken by young children who might not know how best to express their feelings or navigate social situations. Please continue to remind your child of our high standards of kindness toward others and know that name-calling, racial slurs, and inappropriate teasing will not be tolerated. Such repeated behaviors will lead to appropriate discipline. Please call the school should you have any questions.

Spring M-STEP Testing

Each spring, all students in grades 4th-7th participate in the State Assessment known as M-STEP. All grade levels at the middle school complete the English Language Arts and Math assessments. 5th graders also take the Science and Social Studies assessments.

5th grade will be testing this week on Tuesday, Wednesday, Thursday, and Friday. Please make sure your child arrives at school on time and gets plenty of rest. All students will be taking the ELA assessment on April 30, May 1 and 2. Math testing will take place the following week on May 7, 8, and 9. Make-ups will be offered the week of May 13 for any student who is absent or needs additional days to finish.

Important Recurring Reminders

"NO PEANUTS PLEASE"

Our amazing student population will include more than one student with a [life threatening](#) peanut allergy. We are asking you to start thinking now about snacks and lunch items that you can send to school that do not include peanuts. Attached you will find a PDF with ideas. Our breakfast and lunch menu will be peanut free. Each room in the building will have specific protocols to follow and they may be different. **One way to help is to have your child brush their teeth and wash their hands AFTER they eat breakfast before coming to school.** [No Peanuts Please](#) [Peanut Free Snack Suggestion](#)
