00:03 - 00:09
On behalf of all the White Helmet volunteers in Syria,

00:10 -00:24
I would like to thank you for giving us this great award which will help give all our volunteers the moral support to continue rescuing civilians in Syria.

00:25 - 00:29
Our humanitarian work is based on the verse from the Quran:

00:29 -00:32
“To save a life would be as great a virtue as to save all of mankind.”

00:33 - 00:41
To this day, we have rescued 82,000 civilians, and this number is increasing daily.

00:41 - 00:46
In my name and the name and the name of White Helmet volunteers,

00:47 -00:52
I would like to dedicate this award to all humanitarian workers

00:53 -00:59
who risk their lives to save civilians around the world

1:00 - 01:17
I ask everyone who is listening and seeing me now across the world to take a stand to stop the killing of civilians in Syria.

01:17 -01:19
To stop the bloodshed of the Syrian people,

01:20 -01:25
to pressure governments to end the ongoing Syrian conflict

01:26 -01:30
and to hold the criminals who have committed human rights violations to account.

01:31-01:35
I wish we stop the killing of civilians all around the world.

01:36 -01:37
Thank you very much.
