9:30-9:45 - BREAK

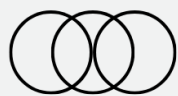

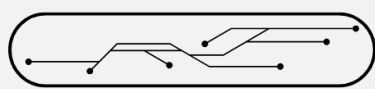

9:45-10:45 am - CONCURRENT SESSION 1 (CHOOSE ONE):

a) **DL Basics 1: Distance Learning in Minnesota Adult Education**, *Elizabeth Bennett, Literacy Minnesota; Adam Kieffer, St. Paul Public Schools Adult Education; and Astrid Liden, Minnesota Department of Education*

This session provides an overview of distance education generally and of distance (asynchronous) learning in Minnesota Adult Education specifically. We'll discuss platforms, policies, requirements, best practices for SID, etc. ***DL Basics Session 1 is intended for ALL staff involved with any aspect of distance learning.*** [JOIN LINK](#)

b) **Canva 101: A Beginner's Guide to Graphic Design Tools**, *Katey Miller, Literacy Minnesota*

Say goodbye to boring slides, plain worksheets, and uninspired flyers! In this session, we'll dive into Canva, the free and easy-to-use graphic design tool that can help you transform your classroom or program materials without being a master of graphic design! Whether you're brand new to Canva, feeling overwhelmed by all of its options, or just curious about where to start, join us to discover just how easy (and fun) design can be! [JOIN LINK](#)

c) **Integrating Digital Literacy and Resilience in the ESL Classroom**, *Dr. Glenda Rose, Texas Center for the Advancement of Literacy & Learning (TCALL)*

In today's increasingly digital world, English Language Learners (ELLs) face unique challenges—and opportunities—in developing the skills needed to thrive. This interactive session explores the concepts of digital literacy and digital resilience, offering practical strategies for integrating technology into ESL instruction. Participants will engage in hands-on activities, discover tools like the DART curriculum, and learn how to scaffold digital skills in emotionally safe environments. [JOIN LINK](#)

10:45-11:00 - Break

11:00-12:00 pm - CONCURRENT SESSION 2 (CHOOSE ONE):

d) **DL Basics 2: Instructional Approaches to Distance Learning**, *Elizabeth Bennett, Literacy Minnesota, and Adam Kieffer, St. Paul Public Schools Adult Education*

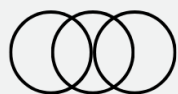

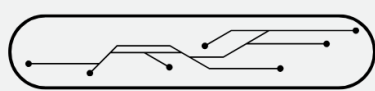

This session covers instructional approaches to distance learning and strategies to promote learner success and persistence. ***DL Basics Sessions 2-4 are intended for instructional staff and program managers and coordinators.*** [JOIN LINK](#)

e) **EdTech Routines: Easy Ways to Get Learners Using Technology in Any Class**, *Susan Wetenkamp-Brandt and Nicholas Houlson, Literacy Minnesota*

In this session, we will explore routines that are easy to implement in any class to get learners using technology and building digital skills. Examples will be drawn from the [EdTech Integration Strategy Toolkit](#) from the EdTech Center at World Education, [Northstar Digital Literacy](#), and from routines developed by Minnesota adult educators who have completed the *Building an EdTech Strategy Toolkit* cohort. [JOIN LINK](#)

f) **Minnesota Teacher Orientation to Ellii and Ellii Solo**, *Ben Buckwold, Ellii*

This session will support Minnesota adult education teachers getting started using Ellii and Ellii Solo with their learners. You'll leave with a clearer understanding of the similarities and differences between these two sides of the platform, as well as some tips and tricks for supporting learners with distance learning outside of class time. There will be time for Q&A. (This session will **not** cover the same content found in this [asynchronous training](#), which focuses on procedures for creating Ellii classes and learner accounts. The asynchronous training is required

for all staff to receive an account on the state-supported Ellii plan for Minnesota adult education.)

12:00-12:45 - LUNCH BREAK

12:45-1:45 pm - CONCURRENT SESSION 3 (CHOOSE ONE):

g) **DL Basics 3: Digital Literacy and Digital Resilience**, Adam Kieffer, *St. Paul Public Schools Adult Education*, and Elizabeth Bennett, *Literacy Minnesota*

This session covers all things Northstar, digital literacy, and digital resilience and their application in many different adult education contexts. **DL Basics Sessions 2-4 are intended for instructional staff and program managers and coordinators.** [JOIN LINK](#)

h) **Differentiated Digital Literacy Instruction**, Nicholas Houlson and Katey Miller, *Literacy Minnesota*

Students come from many different backgrounds, but they all have to share the same classroom! The goal of this session is to outline tips and best practices for differentiating digital literacy instruction. We'll share our own experiences from running push-in lessons and computer labs, where we regularly manage large classrooms with the full range of learners: from those who are just starting on their digital literacy journey, to learners eager to tackle more advanced skills.

i) **Pointful Courses for Adult Career Pathways**, Danny Plyler, *Edmentum*

There's a new suite of [career pathways courses](#) this year! These courses are on the Apex platform, but they are available to all Minnesota adult education staff and learners through our state-supported Edmentum subscription. Minnesota staff can [request a staff account here](#), and attend this session to get started with the platform. [JOIN LINK](#)

1:45-2:00 - Break

2:00-3:00 pm - CONCURRENT SESSION 4 (CHOOSE ONE):

j) **DL Basics 4: Orientation and Digital Navigation for Distance & Digital Learning**, Adam Kieffer, *St. Paul Public Schools Adult Education*, and Elizabeth Bennett, *Literacy Minnesota*

This session will help you plan or refine your program's distance learning orientation and support processes. Effective orientation and ongoing support are critical for learner persistence in distance learning! ***DL Basics Sessions 2-4 are intended for instructional staff and program managers and coordinators.*** [JOIN LINK](#)

k) **Ellii in Action (Panel Presentation)**, *Laura Moyer, Metro North, and Azul Kmiecik and Ifeng Hsu, Literacy Minnesota*

You've asked, and we listened! Join this highly requested teacher panel as educators share how they are using Ellii, the new state-supported distance learning platform, in their own classrooms. Come discover how Ellii can support you and your students! (Q&A included: Bring your questions!) [JOIN LINK](#)

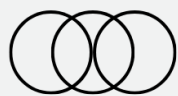

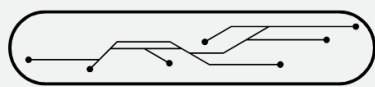

l) **Managing AI Waste**, *Rachel Riggs, World Education*

You may have heard or wondered about generative AI's impact on the environment. In this session, learn some teacher-friendly tips to manage AI waste based on the top priorities of the waste management hierarchy: prevent, reduce, reuse, and recycle! Of course, part of the "waste" that can happen is wasting your own time and energy. Learn the strategies that will keep you from spinning your wheels and help you hone in on high-quality AI-generated output. [JOIN LINK](#)
