Detailed letter dated 8/2/06 to CVC against misuse of Office

CVC

DPG MOP&NG Establishment. Officer DARPG CIC

- The GOI resolved vide notification dt 21/4/04 to protect Whistle Blowers after Supreme Court had directed to protect them while hearing the case of Late Shri Satyendra Dubey. Accordingly the CVC was designated to look into the complaints from Whistle Blowers. CVC issued a circular in May 04 outlining the Procedure for Complaint under Public Interest Disclosures.
- A Complaint dated 4/8/04 was sent to CVC in line with the above Procedure.
- CVC forwarded the complaint to CVO HPCL on March 4, 05 for investigation with an instruction not to victimize the complainant.
- HPCL ignored the instructions of MOP&NG and CVC and sent a Charge Sheet dated 22/3/05 on 12/4/05 alleging 'Unauthorized absenteeism'.
- The reply to the Charge Sheet was sent on 29/4/05 within the stipulated time of 15 days but the biased DA , ED (DS) Shri K.R.Shankaran ordered the Enquiry on 25/4/05 without receiving and reading the reply to the Charge Sheet.
- Another letter dated 13/5/05 was sent to the CVC and they promptly forwarded it to CVO-HPCL on 28/6/05 for investigation on two aspects (a) On Irregularities (b) On Misuse of Office by the HPCL Authorities.
- CVO submitted reports on Irregularities and Misuse of Office in Sept 05. (Copies of the these reports were kindly supplied by the CPIO- CVC in January 06 in response to my application dated 21/10/05 under the RTI Act.). Sent comments on the above two reports on 10/1/06,11/1/06 and 8/2/06 which are quite self explanatory.
- Another representation dated 10/6/06 has been sent to CVC for necessary action and the recommendations under the GOI Resolution. Yet another self explanatory reminder dated 9/9/06 has also been sent too the CVC with a request to send their recommendations at the earliest please,
- ***The Status: The CVC has kindly acted on the complaint and has followed up with HPCL Authorities but the HPCL Authorities do not seem to be cooperating with CVC and the CVC has not been able to send its recommendation till date even though two years have already been completed. The CVC site has been showing the complaint status (Complaint no. 145/04/10) from May 05 to July 06 as below:***

'Recommendation Report not yet received.'

"The Website is being updated".

The debatable point : The Management of HPCL has not acted on the direction of the CVC dated 4/3/05 . Should the CVC / MOP&NG not initiate disciplinary/ criminal proceedings against the Management of HPCL for willfully violating the CDA Rules , GOI Instructions and the law of the land ?CVC is requested to kindly send the recommendation on the Public Interest Disclosure complaint dated 4/8/04, and subsequent appeals, at the earliest please as more than two years have already passed since reporting the matter to CVC.
