

## MRS BROWN

Hi everyone!

### **E-learning for inclement weather.**

This school year, for any scheduled or inclement weather e-Learning day, 2 quizzes need to be completed in order to be counted present for the day. As required in class, you need to spend a minimum of 15 minutes on the lesson before taking the quiz.

If you have questions or need a quiz reset, please email. I am available from **7:30-3:10** to open or reset quizzes. Any email received after 3:10 may not be returned until the next school day.

Stay safe and make good choices :)
