

Find Your Match

Content Area: All

Grade Level: K-5

Purpose(s)

- Reinforce LA skills: (i.e. rhyming/ antonyms- synonyms/ words- definition/ problem-solution/ upper case- lower case)
- Reinforce Math skills: (i.e. math facts/ word problem- number sentence that matches)
- Reinforce Science and SS vocabulary

5C Focus Areas

- Communication (Comm): Expressing thoughts and ideas to others using oral, written, and/or non-verbal forms.
- Collaboration (Coll): Working within teams towards a common goal in an effective, efficient, and respectful manner.

Process/Procedures

1. After deciding what the students are matching, write the words/numbers on index cards.
2. Hand out one card to each student in the class and have them find the other student with the matching card.
3. Choose to discuss the matches as a class or collect and pass out again, continuing in the same fashion.

Materials

- Index cards
