

## CISH Global Politics - Development Case Study Organizer

Use this organizer to help you **analyse** and **evaluate** case studies for the development unit.

1. What is the title of the **case study**?

2. What is the **political issue**?

3. Who are the **political actors/stakeholders** involved in the case study?

3. Write a brief **summary** of the case study. What is/has happened? (avoid trying to explain why or how - this will be included in the source analysis)

4. What are your **sources**?

What is the source's **perspective** on the political issue?

Source A

Source B

Source C

Source D

5. Based on what you have learned, write a brief conclusion **evaluating** the political issue.
