Flyer Design

Make Your Own Flyer or Makeover an Existing One *(Please provide a "before" photo)*

Use Google Docs, Google Drawing, Photoshop, InDesign or any program you prefer.

Make a flyer advertising some upcoming school, community or personal event that you are interested in. (Does not have to be a real event, make one up!)

Requirements:

The flyer must:

1. **Advertise an event – real or imaginary**
2. **Clearly state a call to action – "Come See", " For Sale", "FREE", Join Us", "Attend"**
3. **Contain all necessary details of the event – who, what, where, when, why**
4. **Must contain at least 2 pictures that are cropped or edited in some way**
5. **Follow the rules of effective design** *(be sure to proofread)*
6. **Save as a PDF –> it will keep the same name, but be a different file type, then upload to your Google Drive**
