

Keep It Private

Learning to be Safe and Responsible Assessment

Just because you **can** share something online doesn't mean that you **should**!

1) Circle the place you would most like to visit online

The Jungle

Outer Space

The Ocean

2) Can you spot the private information? Mark "X" through the information that you should not share with people you do not know well.

My address is 2524
Sycamore Lane

My birthday is February
5th, 2006

I like
watermelon

I like swimming

3) On the back of this paper, draw something that you enjoy and want to share on the Internet.
