

ENG FAHMUL QURAN:

NOTES

 Audio 3 : Surah Al Baqarah

 Verses : 275-286

 Those who deal with interest (الربا) will stand on the Day of Judgement like a person who was beaten by shaytaan into insanity (possessed by him and driven to madness).

 Riba (Interest) means growth or increase. It is to increase one's wealth by taking more than what one gave as loan.

 Allah سبحانه وتعالى destroys all forms of riba and the more a person deals with riba, the more he/she suffers loss.

 A person dealing with riba becomes greedy and selfish and he/she will be deprived of the mercy of Allah سبحانه وتعالى.

 The truly intelligent person is the one who puts the hereafter over the dunya and strives to attain it even if he/she has to give up the benefits of this world.

 The witnesses for finalising a loan or any form of contract is two men or one man and two women.

 Allah سبحانه وتعالى will hold us accountable for those thoughts that we dwell upon even if we don't verbalise it.

 Allah does not charge a soul beyond its capacity. There is nothing that is decreed upon us that we cannot handle.

 The soul will face the consequences of whatever good and evil it has performed.

 The last two verses of Surah Al-Baqarah was gifted to the Prophet Muhammed (SAW) from the treasure beneath the Throne of Allah.

 If a person recites the last two verses of Surah Al- Baqarah, then it will suffice him.

 بَارِكْ اللَّهُ فِي عَمَلِكَ وَعَمَلِكِ
