June 18-19 or June 22-23, 2026 | Utah State University, Logan Campus | College of Engineering

What is E-State?

This summer, Utah State University invites you to an immersive two-day overnight camp on our Logan campus! Work with student mentors and industry professionals to solve real-world problems and shape a future worth living in: Design systems for water, food and clean energy; Create safe and efficient transportations networks; Build smart, sustainable infrastructure; Automate solutions that improve quality of life.

When, Where and How Much?

E-State takes place each June on the USU Logan campus. Students stay in dorms next door to the main engineering complex where most E-State events take place.

Can I Participate?

Students should be between their junior and senior year of high school and have a strong interest in math, science and technology. Students must have at least a 3.0 GPA to attend. Space is limited so register soon and be sure to include your high school transcript.

Check out Flyer for more information and links to the application.
Application Opens: February 2, 2026. Open until all spots are filled.
