

Post Event Report

Campout: XXXXXXXX

Location: XXXXX

Date: XXXXX

Scoutmaster in Charge: XXXXX

Other Adult Leaders: XXXXX

*All **Italicized** text is meant to be guidance for the document creator and should be removed from the final report.*

This document should be prepared by an Adult Leader who was part of the event and is taking a lead role to collect and distill feedback. Once completed, this document should be share with the public event's Slack channel so that it can be easily seen by all those who attended and so that it can be a resource to future scouts in the troop who follow us.

Include a picture of the campsite or the main camp activity if one is available

Introduction

Include background information about what the outing was supposed to accomplish.

The primary objective of this campout was to XXXXXXXX.

The Program

Include a summary of how the outdoor program was implemented. Highlight events that were notable or fun (e.g., cooking items, games, "creek exploration").

Thorns & Roses

Distill general themes from the Troop's Thorns & Roses session

Things that went well:

Things that didn't go so well:

Areas of Improvement:

Post Event Report

What could adult leaders work to do differently next time *(This should be collective feedback from attending adults)?*

What could scout leaders work to do differently next time *(This should be feedback from the SPL/ASPL – not to the SPL/ASPL. This assumes that the Scoutmaster has already discussed any growth opportunities directly with the SPL/ASPL)?*

NOTES: See the Slack channel for 2024-08-30 Webelos Invitational Campout at Pedernales Falls (#archive-20240830-webelos-invitational-campout) for a good example of how this document was used.
