

Assignment: What Is Your Face Shape?

For this assignment, you will explore face shapes and how they are identified.

*Please use the worksheets linked in the module below this assignment and upload when complete.

Step 1: Watch & Read

- Watch the videos and review the documents in **Week 2 – What Is Your Face Shape**.
- These resources will guide you through the process of measuring and identifying your face shape.

Step 2: Complete the Worksheet

- Open the document **Find Your Face Shape** (located in Week 2).
- Carefully take your face measurements as instructed.
- Use those measurements to determine your face shape.

Step 3: Submit Your Work

- Upload a clear picture of your completed worksheet that shows:
 - Your face measurements
 - The face shape you identified

Need Help?

- Rewatch the instructional videos and review the documents if you're unsure.
 - I am also available to meet **in person or on Zoom** if you need extra guidance.
 - Email me at **Tiffanyw@cos.edu** to schedule a meeting.
-
