- Ship art (Fanart or Oc x Canon, not real people)
- Kemonomimi

### I don't draw

- Gore / Horror
- Realistic / Real Person
- NSFW
- Mecha
- Complex Armor

-Visual references are preferred but written descriptions are also acceptable

-I reserve the right to decline the commission request.

-Once work has begun on your commission it is Non-refundable.

# USE

**Personal Use:** The client can use the artwork on their social media(post it, header, profile picture) as long as given credits to the artist, the client is able to do one print for personal use or a gift.

**Commercial use:** (Commercial right will cost +50% of the price of the commission) The client can use the artwork for live streaming, videos, monetized online content, etc

-I reserve the right to use and post the commissioned artwork. The client can ask to not post the artwork in case the privacy is needed in that moment (Debut, gifts, events, etc)

-The reselling of the artwork, the use for NFTs and/or AI usage is **STRICTLY PROHIBITED**.

# PRICE

**-The prices are subjective to change:**

- Minor changes and edits will not be charged for as long as they are reasonable. Please understand that major edits or changes should be requested during the sketch check. Extra charges may apply to the payment if major changes are needed after the sketch was approved
- It may change due to the complexity of the commission

# PAYMENT

**The client can choose:**

- The client can pay 50% of the commission of the requested art, after the commission is done, the client has to pay the other 50% of the payment before the commission is delivered.
- The client can decide to pay the full amount at the start of the commission.

# WORKFLOW

- Once the commission is accepted, the client has to pay the first payment or the full amount of the price so the artist can start with the commission.
- The artist will do a sketch check with the client. In this stage, the client is able to ask for changes to the sketch, the client will have 3 free chances of changes requested. In case the client exceeds that amount, the changes will cost 10\$ extra.
- After the sketch phase is passed, the artist will progress with the commission and will send some of the progress if the artist feels the need of doing so and will not progress in the commission until the progress is checked.

- 1-4 weeks estimate work time
- Any delays will be inform to the clients, the artist have the right to not explain the reasons (*I will always try to explain the situation but I reserve the right to not explain if it's a extremely personal/private matter*)
