

Data (iReady,IXL, CAASPP) Reports for Parents and Students in Otus

Step 1

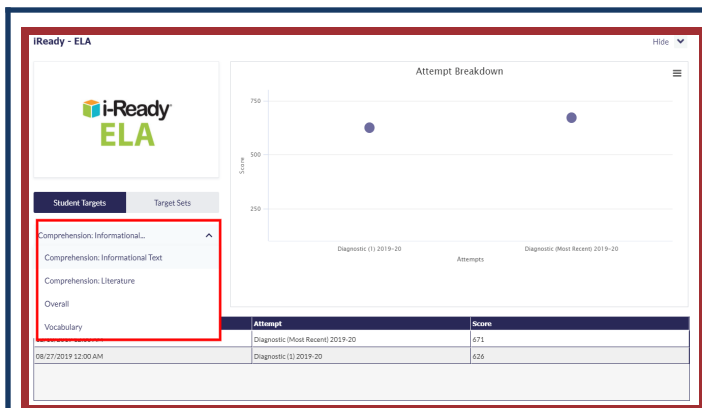

Login to Otus (my.otus.com) using your parent account and click on the reports tab.

Students can also view these reports in their account as well.

Step 2

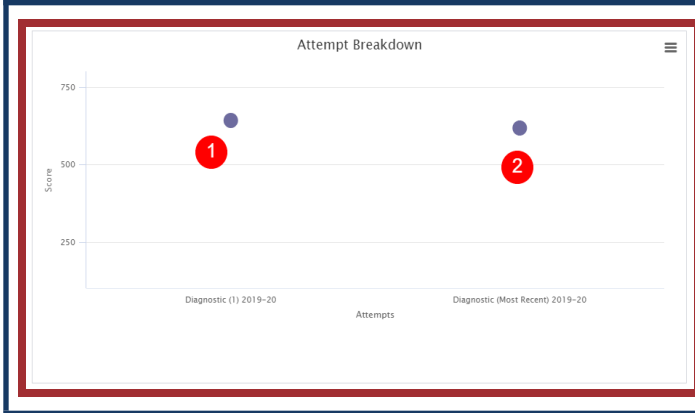

If you have more than one student within RCS D, click on the drop-down to select which student you would like to view information for.

Step 3

Scroll to the content area (ELA:iReady or Math:IXL) you want to view. Click the drop-down under “Student Targets” to select the area in which you would like to view information.

Step 4

In the “attempts breakdown” area, each point is your students’ score from an i-Ready or IXL testing session. After each testing session, another data point will show.

Date	Attempt	Score
12/10/2019 12:00 AM	Diagnostic (Most Recent) 2019-20	618
08/27/2019 12:00 AM	Diagnostic (1) 2019-20	643

Step 5

Below the “attempts breakdown” area, the score information is listed in table format by testing session date.
