

The Inbox Zero song

(To the tune of Foreigner's "[Jukebox Hero](#)")

****If this has already been done, let me know, I want to hear it. If not, help me write the lyrics, and I'll sing it for you.****

Inbox Zero lyrics:

1. Staring at the screen, with his head hung low
Couldn't get to zero, the unstoppable flow
Saw the words on the page,

Inbox Zero lyrics:

1. Staring at the screen, with his head hung low
Couldn't get to zero, the unstoppable flow
heard the ping of the email, felt the buzz of his phone
Tasks piled up; they had nowhere to go
He read one email, just fried his brain
He couldn't read the next, he would go insane

2. And then he closed his eyes, and thought about that place
Not sure if he could make it, he entered in the race
Read one email, wrote his reply, didn't take long, he's on his way
The next email, the next one too
Was a one way ticket, now he's coasting through
So he started readin', ain't never gonna stop
Gotta keep on writin', someday gonna make it to the top

3. And get to Inbox Zero, writin' his replies, he's at Inbox Zero
He read one email, Inbox Zero, wrote his reply
Inbox Zero, (wrote his reply) he'll come alive tonight

4. After a long work day, he got into his car
Thought he saw another email, didn't know for sure
Like a trip through the past, to that long email chain
And that one email, made his whole life change
Now he needs to keep on readin', he just can't stop
Gotta keep on writin', that boy has got to stay on top

5. And get to Inbox Zero, writin' his replies
He's at Inbox Zero, writin' his replies

Yeah, Inbox Zero, write his reply
With that one email, (write his reply)
He'll come alive, come alive tonight...Woah

6. Yeah, he's gotta keep on readin', ain't never gonna stop
Gotta keep on writin', that boy has got to stay on top

7. And stay at Inbox Zero, writin' his replies
He's at Inbox Zero, writin' his replies
(That one email) Inbox Zero, (aah aah aaah) writin' his replies
Now he's at Inbox Zero, aah aah aaah
Inbox (write) Zero, (re-plies) Inbox Zero, (re-plies)
He's writin' his replies, write his replies

Jukebox Hero lyrics

1. Standing in the rain, with his head hung low
Couldn't get a ticket, it was a sold out show
Heard the roar of the crowd, he could picture the scene
Put his ear to the wall, then like a distant scream
He heard one guitar, just blew him away
He saw stars in his eyes, and the very next day

2. Bought a beat up six string, in a secondhand store
Didn't know how to play it, but he knew for sure
That one guitar, felt good in his hands, didn't take long, to understand
Just one guitar, slung way down low
Was a one way ticket, only one way to go
So he started rockin', ain't never gonna stop
Gotta keep on rockin', someday gonna make it to the top

3. And be a juke box hero, got stars in his eyes, he's a juke box hero
He took one guitar, juke box hero, stars in his eyes
Juke box hero, (stars in his eyes) He'll come alive tonight

4. In a town without a name, in a heavy downpour
Thought he passed his own shadow, by the backstage door
Like a trip through the past, to that day in the rain
And that one guitar, made his whole life change
Now he needs to keep on rockin', he just can't stop
Gotta keep on rockin', that boy has got to stay on top

5. And be a juke box hero, got stars in his eyes
He's a juke box hero, got stars in his eyes
Yeah, juke box hero, stars in his eyes
With that one guitar, (stars in his eyes)
He'll come alive, come alive tonight...Woah

6. Yeah, he's gotta keep on rockin', just can't stop
Gotta keep on rockin', that boy has got to stay on top

7. And be a juke box hero, got stars in his eyes
He's a juke box hero, got stars in his eyes
(Just one guitar) juke box hero, (aah aah aaah) got stars in his eyes
He's just a juke box hero, aah aah aaah
Juke box (stars) hero, (stars, stars) juke box hero, (stars, stars)
He's got stars in his eyes, stars in his eyes

This is wonderful, and I'm glad that the internet has brought me here. I would put this in a comment, but they seem to be disabled. I think there's some opportunity to use some more email-specific concepts in some of the verses so that we can really understand the hero's journey. Like something about subject lines, replying all, cc/bcc or something, spam/filtering, deleting, Outlook/gmail, keyboard shortcuts, using (or scrupulously avoiding) canned or automatic replies, out of office messages, phishing, attachments (pun possibilities), calendar invites. In any case, this is great, and if you've already made a recording of this, I'd love to hear it.
