| <b>0:07</b> | <b>Behold many pictures! In the pictures are a girl and her sister. Who are in the pictures? Are there two elephants? Are there a girl and her brother?</b>                                                                                               |
| <b>0:10</b> | <b>Behold - the sister has many trophies!</b>                                                                                                                                                                                                             |
| <b>0:17</b> | <b>Wow - the sister has very many trophies!</b>                                                                                                                                                                                                           |
| <b>0:20</b> | <b>Oh no - the girl does not have trophies, but she has many participation ribbons.</b>                                                                                                                                                                   |
| <b>0:23</b> | <b>Oh no - the girl does not have trophies but she has very many participation trophies. The girl hates the participation ribbons. The girl wants trophies! Who has very many trophies - the girl or sister? Who has very many participation ribbons?</b> |
| <b>0:27</b> | <b>Oh no - the girl wrote in her diary "I hate my sister!" The girl does not live her sister. The girl hates her sister!</b>                                                                                                                              |
| <b>0:34</b> | <b>Oh no - the girl is jealous. The girl hates her sister! The sister has more trophies than the girl. The sister has less trophies than the girl. Who has more participation ribbons - the girl or the sister?</b>                                       |
| <b>0:41</b> | <b>Oh no - there are small monsters. Having caught sight of the small monsters, the girl is afraid. Why is the girl afraid?</b>                                                                                                                           |
| <b>0:46</b> | <b>Oh no - the small monsters are approaching the trophies.</b>                                                                                                                                                                                           |
| <b>0:50</b> | <b>Having caught sight of the trophies on the ground, the girl is afraid.</b>                                                                                                                                                                             |
| <b>1:04</b> | <b>Oh no - the sister is approaching. Having caught sight of the girl, the sister said, "Hello!" The sister loves the girl! The sister does not hate the girl.</b>                                                                                        |
| <b>1:10</b> | <b>Having caught sight of the sister, the girl is afraid, but the monster, having caught sight of the sister, is happy! Why is the monster happy?</b>                                                                                                     |
| <b>1:26</b> | <b>More and more monsters are in the home - the girl wants less and less monsters!</b>                                                                                                                                                                    |
| <b>1:33</b> | <b>Oh no - more and more monsters are appearing out of the diary and are approaching the sister. To whom are the monsters approaching?</b>                                                                                                                |
| <b>1:47</b> | <b>Very many small monsters are transforming into one large monster!</b>                                                                                                                                                                                  |
| <b>1:51</b> | <b>Having caught sight of the big monster, the girl is afraid! The big monster appears because the girl hates the sister. The big monster appears because the girl wrote in her diary, "I hate my sister!"</b>                                            |
| <b>1:56</b> | <b>Oh no - the big monster is approaching the sister. What is approaching the sister? What kind of monster is approaching the sister?</b>                                                                                                                 |
