Your case was forwarded to me by doctor Garcia. Having studied your case notes for the last couple of weeks the only conclusion we can come to is that you suffer from hyper-sexuality or mild nymphomania. I should tell you now that I've never treated someone like you and will probably never again, because I've also personally been diagnosed with your condition.	Go to Audio	2021-05-06

AFFIRMATIONS	ASMR, Sleep-aid, SFW	Hey - I hope you enjoy this affirmation sleep-aid. It gets quieter as it goes, so if you want something soft-spoken or whispered to relax to, or fall asleep to, there won't be any surprises..	Go to Audio	2021-11-15

Hey loving Belles, Beaus, & Esteemed Members of the Court!

I made this index. If you're missing something, fill it in! and certainly with the tags there weren't that many at some audios and it was too much to listen to them all XD

Good Luck and enjoy! - Neon

I copied Neon's hard work into a Google Sheet in case anyone else has been corrupted by Excel and finds it easier to use spreadsheets. Matt, if you want to make a copy of the file and add it to the Turret so it's off my personal Google Drive, that'd be great.

NATURE WALK	Sleep Aid, Meditation, ASMR	<p>This was a real labour of love - the most intense piece of description I've ever written... 😊</p> <p>My initial idea was to collate the most beautiful nature descriptions from literature and just mix them together, but the lines I found were less beautiful than I'd remembered them and they relied on long passages of characterisation or plot. So, I started from scratch just took a few bits of inspiration here and there.</p>	Go to Audio	2021-12-07
