

## ***Galaxy Baboons Website***

**Run around and explore using only your hands to move, This game is a Multiplayer experience so you can play with friends. There are in game contests that we host for some free in game currency or cosmetics, We will soon be adding tag for players to have more fun in this game**

### ***Moderation system***

**The in game moderators will use a common mod system, They will have access the a special item given to them by the owner, The Item is a kick hammer, When a Player Bonks another player with this hammer the player that was hit with it will be removed from the game, We also use a Ban system run through playfab, You can learn more about it through our Privacy Policy**
