

FOSSIL HILL MIDDLE SCHOOL BAND
THE BEST BAND IN THE LAND!

Congratulations, your child has been selected to participate in the FHMS TRUMPET class for the 2022-2023 school year. Your child's schedule has been arranged to accommodate this class into their daily curriculum after carefully meeting with our counseling staff and administration. We are excited to have your child in our program this year!

The instrument your child is playing can either be obtained by:

- (1) renting through a local music shop or by
- (2) renting/using a KELLER ISD school-owned instrument. You must let us know which option you plan on using as soon as possible.

___ I AM RENTING OR PURCHASING MY CHILD'S INSTRUMENT from a music store or online. (please make sure that you include instrument repair and insurance with your rental to cover any damages that take place during their beginning band year - only a few dollars a month will be well worth the value)

OR

_____ I WOULD LIKE TO RENT/ USE AN INSTRUMENT FROM KISD (I understand that any damage to the instrument will require a visit to the local music store and will not be included in the school district rental fee)

1. Renting through a local music store:

- You may visit **Bells Music Shop**-536 Keller Pkwy, Keller, TX 76248 or **Music & Arts**-2301 Porter Creek Dr Ste 219, Fort Worth, TX 76177 (Presidio location)
- Rental fees apply to the *purchase* of the instrument
- Rental agreements often include free repair for a small monthly fee
- NOT all instruments are created equal. Buyer beware. Please look at our preferred instrument list and rent/purchase wisely to avoid any scams or poor products.
- You may choose to pick up your rental instrument from the music store in person or you may have it delivered to FHMS, so that it is there on the first day of school. Remember to order the instrument and the supplies that accompany the instrument.

2. Renting a KELLER ISD school-owned instrument:

- The rental for this instrument is \$40.00 (if you qualify for free or reduced lunch) or \$100.00 for all other students.
- The instrument rental fee must be paid prior to pick up in August.
- There is a link to pay this fee online: <https://tx-keller.intouchrecepting.com/>
- Renting from Keller ISD does not allow for purchase of the instrument at the end of the rental agreement. Rental/ usage fees are required every year that the student participates in band.
- Not all KISD campuses have rental programs for all instruments. FHMS is the only KISD campus that has access to the following instruments: flute, clarinet, saxophone, trumpet, and trombone for 6th grade beginning band.
- Instruments may not be available to all, they will be checked out on a first come/ first serve basis. Prior to checking out a KISD instrument, the instrument usage fee must be paid.
- Not all instruments are new, many are used, but in great condition.

Trumpet

Beginning Band-Trumpet Supply List

Fossil Hill Middle School
