

Policy Committee Meeting notes from 08/21/24

Members Present:

Mary DiNucci
Eli Goodwin
Candice McElroy
Linn Tripp
Beth Bosworth
Norma Snow
Jay Robinson
Heather Sheehan

Policies Discussed:

JFC - Dropout Prevention and Student Withdrawal from School

Discussion continued from July meeting. Significant wording changes were made by the MSBA, and language was clarified. Committee held an in depth discussion on who should be on the Dropout prevention committee. Policy will go to first read.

IHBAC - Child Find

Policy was mostly a review, however a paragraph was added, therefore policy will go to first read for board approval.

GBGE - Return to work and reasonable Accommodations

There was a brief discussion on this policy, however some language was confusing so policy was tabled to next meeting for clarification.

JICIA - Weapons, Violence, and School Safety

A very in-depth discussion took place regarding exceptions to the policy of zero weapons tolerated on school grounds. Committee voted (3 yes, 1 no) to remove the paragraph that allows certain exceptions (ie: unloaded weapons for after hours training courses such as Hunter's Safety) It should be noted that while the MSBA has not yet acted on it, they have proposed removing this language from the policy at the state level. Further discussion of this policy was tabled until the next meeting.

Meeting adjourned early at 6:45 to make way for a quick Personnel meeting.

*There will not be a Policy meeting in October due to a board training session. A meeting is being planned for a different evening in September or October, date TBA.
