Other opportunities (without our group)

Unlimited potential has an Earth Day on the 18th

Chispa 20th in the evening Earth Day event

Capitol Elementary School and AZLand - theatrical on environmental justice

Madre Tierra event in May

Communications from GRIC:

Good morning,

We are getting closer to GRIC DEQ's Earth Day Celebration! Thank you again for having a booth at our annual event. After reading the comments of last year's event, we are providing shade for everyone. We were able to secure canopies for the whole event, but just in case, bring one if you have one! Please bring a table and chairs. We might be short on those so

please bring if you can. If you have any special requests please let me know. Those with vehicle set ups will be parked in special locations on the map.

For now Please arrive by 9am. I will be sending another email next week with a map of where to park and drop off items. We will have golf carts on site to help with any transportation of materials.

We will have lunch provided and have staff members serve you at your table. I will give you a list of contacts/numbers in case anything comes up.

Look out for another email Monday for parking/bathroom locations/agenda.

We look forward to seeing you all!

Thanks,

Tison Gill, M.Ed.
