

# PRIVACY POLICY

This Privacy Policy describes how we collect the information when you use our application (Weather Widget:Forecast App) built by AVIRISE LIMITED. The Policy also explains how we use and disclose the information collected from you.

By installing and using the apps, you agree to this privacy policy and give an explicit and informed consent to the processing.

## Location Data

Our Weather app may request your Location data for a functional purpose. We may use various technologies to determine location, such as GPS, Wi-Fi or other network-based data such as IP address. Your GPS geo-location is not accessed without your consent. We do NOT provide your Location data for advertising networks and third parties.

## Personal and Sensitive User Data

### ■ Personal Data

Personal Data means personally identifiable information that specifically identifies you as an individual(e.g. your name, email address).

We do not collect any personal information about you.

### ■ Non-personal Data

No-personal data is information that does not identify you personally. We may collect non-personal data such as your device model, operating system version, country code, and other attributes.

### ■ Ad serving Technology

We may disclose non-personal data to third parties and /or allow third parties to collect non-personal data through their own embedded technology. In order to serve ads to you, third-party advertising companies may post or identify unique cookies, anonymous identifiers or similar technologies for non-personally identifiable information. If you would like more information, please click on the following link:

## **Your rights and options**

You can opt-out of interest based advertising on mobile applications by checking the privacy settings of your Android or iOS device and selecting “limit ad tracking”( Apple iOS) or ‘opt-out of interest based ads’( Android). Or you can reset your device’s ad identifier, by changing the settings of your device. Settings vary from device to device but you will usually find the ad identifier settings under “privacy” or “ads” in your device’s settings.

You can restrict us to collect related information from your devices by changing the **“Settings” in the devices.**

You also have the right to correct your data, have your data deleted, object to how we use or share your Non-personal Data. You can always withdraw your consent, for example by turning off GPS location sharing in your mobile device settings, or clear our app data on the information page provided by the system.

## **Information security**

We are very concerned about protecting the confidentiality of your information. We use administrative, physical and electronic measures designed to protect your personal and non-personal information from unauthorised access and use.

## **Third party terms and conditions**

Please note that your access to and use of the apps may be subject to certain third-party terms and conditions and privacy policies. You recognize and agree that we are not liable for any such third-party terms and conditions and any third party’s use of your Personal Data. This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by me. Therefore, I strongly advise you to review the Privacy Policy of these websites. I have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

### **Children's Privacy**

We understand the importance of taking extra precautions when using our products and services to protect children's privacy and safety. We do not collect, use or disclose personal information about children. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact me so that I will be able to take necessary actions.

### **Changes to This Privacy Policy**

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page.

This policy is effective as of 2022-03-16
