- **Immense and Massive detail.** (We can discuss it for sure, never be afraid to ask, but I will decline something if I find it far too complicated and beyond my level of skill.)

As a note, no matter what, never be afraid to ask me about something. The worst I can say is no. If you have a question, please ask!

### **Payment:**

I will send a quote and request payment via PayPal once we have established everything. Paypal is the only way of payment I will be using.
