

Red Clay Student Wellness Questionnaire

Fall 2021

Dear Red Clay Families,

The Covid-19 Pandemic has imposed various challenges for our students. In order to support their students' social/emotional wellness, the Student Wellness Questionnaire was developed to help our school staff proactively identify students who may be in need of additional support.

The information provided by students will be reviewed by the school administration team, Multi-tiered System of Support (MTSS) team and support staff (e.g., school counselor, school psychologist).

If you have an immediate concern about your child's social/emotional wellness, the following organizations are available to provide support:

Child Priority Response (Mobile Crisis) available 24/7 at 800-969-4357
24/7 Crisis Text Line (Text - "HOME" to 741-741)

If you have any questions, please feel free to contact your child's school.

On behalf of Red Clay's Health & Wellness Re-opening Team,

Health & Wellness Co-Chairs
