Hey babe, I was just grabbing the mail.

A parcel came!

[Teasing]

It's a surprise for tonight, you'll see.

Nope, no hints.

[Giving in]

Okay fine, one hint.

[Thinking]

Uh, "A box without hinges, key or lid, yet..." wait, no, the rest of that doesn't work.

No hints!

You'll just have to wait and see.

You're being very persistent!

[Mock annoyed]

Fine, open it!

(FX: open parcel)

They are!

I **finally** found pussy plugs!

You said you wanted to try them but could never find them, so I went hunting.

I know!

It's fucking **weird** how so many places sell butt plugs but not pussy plugs.

I checked so many websites before I found them.

Cute, aren't they?

A little store in Québec (**kwuh-bek**) makes "Eggcellent" plugs.

They're platinum-cured silicone (**si-luh-kown**), so it's safe for inserting into your body.

I got you the three smallest sizes; mini, extra small, and small.

And I got your favourite colour!

Don't be scared, touch it!

You can squeeze it, it won't break.

Well, want to try one out?

I'll wash it first, go grab the lube and a towel.

(FX: wash hands in sink)

Here it is!

One freshly washed pussy plug, ready for its maiden voyage.

Hey hey hey, easy now!

Let's get you warmed up first.

(FX: kissing begins)

Are you nervous?

Don't be.

I'll go slow.

But...you're wearing way too many clothes, babe.

(Stop kissing)

(FX: listener removes her clothes)

(FX: speaker removes his shirt)

[Matter-of-factly]

I'm going to eat your pussy first.

Sit on the towel, spread your legs.

(FX: cunnilingus begins)

There she is.

(Mouth sounds for a while, then stop cunnilingus)

I think you can take a finger now...

(FX: vaginal fingering begins)

How's that feel?

You're starting to squirm for me, baby.

What do you think, warmed up enough?

You feel like it to me!

Pass me the lube.

(FX: open & use lube)

It'll be a bit cold.

(FX: vaginal fingering with lube)

Okay baby, I need to lube up the plug.

(FX: rub lube on small silicone toy)

Ready?

Here we go!

I'm going to take it nice and slow.

Just put the tip of the plug inside you...

How's that feel?

Good.

I'm going to rub your clit now...

(FX: vaginal fingering begins again)

As I keep working the plug back and forth like this...still doing okay?

Take a deep breath...

Now let it out...

While I... (start inserting the pussy plug)

Push this inside of you.

And done!

(Pause fingering)

That's it.

Your pussy is now **plugged!**

How does it feel?

Good.

(Resume fingering)

Let's keep playing then.

Let me touch that needy clit of yours.

Is this better, when I rub your clit?

Mmm, good.

So, I've been thinking about things I want to do, now that we have pussy plugs.

The next time I cum inside you, which'll be...

In a few hours, actually...

I'm going to cum, and then I'm going to put this plug inside you.

And keep my cum **right** where it belongs.

Then you'll put your panties back on for me, and get dressed.

And whatever we do, I'll know that your pussy's plugged for me.

What do you think of that idea, huh?

Would you like that, baby?

Mmm, I thought so.

Yeah...I like it a lot too.

In fact, I like it so much that...I think I'm going to fuck you sooner rather than later.

I'm getting rather hard down here.

[Thinking aloud]

Or maybe...after I fuck you, I'll plug your pussy **and** your ass!

Do you think that would feel good?

I think so.

I think you're going to look real fucking hot with both of your holes plugged.

How's the plug, still okay?

Should I keep going, or do you want to stop?

Okay baby.

(Stop fingering)

[Giving an order]

Panties on!

(FX: listener puts her panties back on)

Look at you.

Pussy plugged and nobody can tell.

I could take you outside, I could take you on a date like this, wouldn't that be hot?

C'mere.

(FX: kissing begins)

Let's watch a movie!

I don't care, anything.

I just want to watch a movie with my girl and her plugged pussy, which is **ridiculously** hot.

(Fade-out)

End
