

The Well-Being through Service Fair - Feedback!

On Tuesday, October 4, we hosted representatives from 19 organizations in various service fields, including educational institutions, homeless shelters, cancer hospitals, renewable energy, and many more.

A huge thank you goes to all our student

volunteers who helped with the setup and translation throughout the day.

Please share your feedback to help us improve our future events

Kindly click here for the [FEEDBACK FORM](#)

If you have any questions, please don't hesitate to contact me,

Sincerely,
Ereeny Gawdat
