

Paragraph A

I don't want to have kids. For one thing, having kids costs a lot of money. For example in the United States, people say it costs \$245,340 to raise a child for 18 years. For another thing, taking care of a child is a lot of hard work. You have to cook their food, buy their clothes, take them to school, and more. I also don't want to get a dog, because taking care of a dog is hard work. Finally, kids are just loud and annoying.
