RUBRIC OF INITIAL SCREENING

Diwan: Jurnal Bahasa dan Sastra Arab ensures that the initial screening, which determines whether a paper will proceed to the review stage, is conducted objectively. Before the submission of the work, the Rubric of Initial Screening makes it possible for the Editor as well as the author to undertake an assessment of the work. *Diwan* employs this rubric to ensure that the initial peer review process is carried out impartially and openly, hence removing any risk of prejudice or conflicts of interest.
