Student Appreciation Valentine's Treat: Shiray Sondrup (Kids loved it, but need to make sure they know that everyone gets a treat). Good feedback about gifts and Valentine's not being delivered during the school day.

Faculty Meal: Candice Stratford (Food was great, but concerns about the timing of when teachers should come down to get food. Seemed like not as many teachers were able to eat this year. Maybe move to a boxed lunch that is prepared for teachers prior. Either they can come down and get it and eat in faculty room or bring it to their room. Could just have veggie trays and cookies in faculty room for teachers to snack on).

Upcoming Programs:

Career Day: Cheri Hardman

Oak Canyon's Got Talent: Shiray Sondrup and Jen Lyman
