

NOTE: marking things as “unfinished” is ultimately my assumption that the other party has dropped the thread, or we agreed to let it die. If there is another reply made, then it'll go back to ongoing and I'll be excited. Thus it being marked as such should not be taken that I've necessarily lost interest in it myself. If I have lost brain for it more often than not I'll PM you about it or something.

JANUARY

ARRIVAL (first Test Drive Meme)

- [Burned pants with Maraich](#) (concluded)
- [Chance encounter made tour with Nananea](#) (handwaved conclusion)
- [But why is Shiemi here?!](#) (handwaved conclusion)
