To view your results

For Cambridge exam board website - CIE Direct Results website

- (CAIE) results are accessed through : <https://myresults.cie.org.uk/>
- Candidates will be given a username and password by the Exams Officer during May 2026
- Results are only visible after 06:00 (BST/UTC+1) on each of these result days

(BST is British Summer Time. UTC is Universal Coordinated Time. Please convert these to your local time zone).

For Pearson Edexcel exam board - Resultsplus Direct website

- Ensure you have activated your [Resultsplus Direct account](#) as per the email instructions sent to candidates' BSM email addresses by the Pearson exam board - you should have done this during May when the Exams Office sent the information out to you.
- [Log in](#) to your account to view your results

Students will not be able to log onto ResultsPlus Direct until 09.00am UK time on all results days. During August results days (from the summer exams series) students will be able to view their results but cannot access in-depth question data until the following day.
