

Hello New Fireside Families!

We are reaching out to you in hopes that you will be interested in our Ambassador Program. The Ambassador Program was created to offer support to families that are new to Fireside (grades 1-5) or new to Louisville, Colorado, or even the country.

We are hoping to connect a Falcon Friend Family to each new Fireside Family. This person/family will tell you about Fireside, and connect you with helpful tips and resources about the school, district and community. They can be a resource for questions and help introduce you to the community. We hope to connect families with similar aged kids and interests.

If you are interested in this, please fill out this [Ambassador Program Interest Form](#) or email programsfireshidepto@gmail.com to get connected with a Falcon Friend Family.

Thank you and welcome to Fireside!
