Dear Claire,

Just some statistics from our recent session which took place on Saturday 14th February.

We monitored vehicles coming into the village on Fradley Lane.

233 vehicles passed through the session from 11.00am to 12.00pm.

We recorded 6 vehicles who were in excess of the 40mph speed limit on this section of the road and these will be reported to the Police.

We hope to be able to conduct regular sessions in the village and I really appreciate the time and availability of our small team.

If there are any particular roads that the Parish Council think we should monitor, then please don't hesitate to contact me.

Best wishes
Mike
