

Privacy Policy – Marvel Takibi: Bütün Evrenler

Effective Date: 24 May 2026

1. Overview

Marvel Takibi: Bütün Evrenler (the “App”) is a personal movie/series tracking tool. It does **not** collect, send, or share any personal data to external servers or third-party services.

2. Data Collected

Category	Details	Storage
Local Watch State	Boolean flags indicating whether a title has been watched, and the percentage of the universe completed.	Stored locally on the device using <code>@react-native-async-storage/async-storage</code> .
App Settings	Theme preference (dark mode) and any UI preferences you adjust within the app.	Stored locally with the same <code>async-storage</code> mechanism.
No Personal Identifiers	The app does not request your name, email, phone number, or any other personally identifiable information.	N/A

3. How Data Is Used

- To **persist** your watch progress between sessions.
- To **display** the correct completion percentage and UI state when you reopen the app.

No data is transmitted to the internet, analytics platforms, advertising networks, or any third-party SDKs.

4. Third-Party Services

The App contains **no third-party SDKs** or libraries that collect data. All dependencies used are open-source and run entirely on-device.

5. Data Security

- Data is stored in the device's secure storage area provided by React Native AsyncStorage.
 - No encryption is required because the data never leaves the device.
 - Users can clear the stored data at any time by uninstalling the app or using the device's "Clear app data" option.
-

6. Your Rights

- **Access & Deletion:** You can delete all stored data by uninstalling the app or clearing its data from the device settings.
 - **No Opt-Out Required:** Since no data leaves the device, there is nothing to opt out of.
-

7. Changes to This Policy

We may update this privacy policy to reflect changes in functionality or legal requirements. Updates will be posted within the app's store description and on the GitHub repository README.
