

RENTZIE APPAREL

Lender Agreement

This Lender Agreement ("Agreement") is entered into between Rentzie Apparel ("Rentzie," operated by Kenzie and Isabella) and the Lender. By checking "I agree to the Lender Agreement" on the Rentzie submission form, the Lender acknowledges and agrees to all terms outlined in this Agreement.

1. Item Submission & Approval

The Lender may submit items for consideration via Rentzie's official submission form. Submission does not guarantee acceptance. Rentzie reserves the right to approve or decline any item at its sole discretion based on brand, condition, style, and fit with current inventory.

Approved items will be confirmed in writing (email or text) along with a scheduled pickup time. Items must be clean and in rentable condition at the time of pickup.

2. Revenue Split

For each completed rental, earnings will be split as follows:

Rentzie	Lender
40%	60%

Rentzie's 40% covers all logistics including pickup, cleaning, photography, listing, customer communication, and delivery. The Lender's 60% is calculated based on the rental price set by Rentzie for each item.

3. Payouts

Lenders will be paid out after each completed rental via Venmo or Zelle. Payment will be accompanied by a rental summary including the item rented, rental amount, and the Lender's 60% earnings.

Rentzie is not responsible for delays caused by incorrect payment information provided by the Lender.

4. Damage & Loss Policy

Rentzie takes the care of your items seriously. In the event of damage or loss, the following applies:

- All renters are required to pay a security deposit prior to receiving any item.
- In the event of damage, the renter is responsible for repair or replacement costs up to the item's retail value, covered by the security deposit.
- If damage costs exceed the security deposit, Rentzie will pursue recovery from the renter directly.
- Normal wear from a single rental (minor wrinkles, faint deodorant marks) is not considered damage. Rentzie handles standard cleaning after every rental.
- Rentzie is not liable for pre-existing damage not disclosed at the time of submission.

5. Item Care & Handling

Rentzie handles all cleaning, steaming, and packaging between rentals. The Lender is not responsible for cleaning items before or after a rental period. Rentzie will handle all logistics including pickup from and return to the Lender.

6. Item Retrieval

The Lender may request return of their items at any time with a minimum of 5 business days' notice, provided the item is not currently rented out. Rentzie will coordinate a return drop-off at a mutually agreed time.

7. Photography & Marketing

By submitting items, the Lender grants Rentzie permission to photograph, feature, and promote items across all Rentzie marketing channels including Instagram, TikTok, and the Rentzie website (rentzieapparel.com). The Lender will be credited and featured where applicable.

8. Term & Termination

This Agreement begins on the date signed and continues on a rolling basis. Either party may terminate this Agreement with written notice. Upon termination, any items not currently rented will be returned within 7 business days.

9. Agreement

By signing below, both parties agree to the terms outlined in this Agreement.
