Peter Pan Jr.

Costume Notes for Main Cast

We are excited to get started on the costumes for the musical this year! Costumes are a fun part of the play and we appreciate your help in getting your child's costume together. As members of the main cast, actors/families are tasked with purchasing and/or collecting costumes for these rolls.

The Darling Family:

Wendy – will wear a pale blue nightgown. Can be trimmed with lace and/or a simple ruffle collar. Satin slippers would be a good option for shoes, I found several options on amazon (make sure to add traction to the bottom if there is none).

John – wears a light blue night shirt (with shorts underneath) or stripped pajamas. You can choose which most comfortable for you. John will also need a top hat for scene two, which the prop committee will provide.

Michael – wears one-piece (footie) pajamas. Should be light colored or have a simple print or pattern. If you choose footie pj's, please make sure to add traction to the bottoms of the feet.

Mrs. Darling – will wear a long soft pink or lilac Victorian style gown with ruffles and petticoat

Mr. Darling – will be dressed in a black tuxedo (or a suit would be fine) with bowtie and dress shoes (consider a cummerbund if going with the suit option).

Liza – will wear a basic off-white or charcoal gray dress, a petticoat and an apron. Satin slippers would be a good option for shoes, I found several options on amazon (make sure to add traction to the bottom if there is none). I have a cloth hat to go with this costume, please remind me to get it to you.

Nana – you are welcome to be creative in putting this costume together. The production company suggests creating this look using a gray sweat suit, gray sneakers (or gray socks may be more comfortable, and floppy dog ears created out of fabric and a headband. I'm happy to help with the construction of the headband if needed.

Neverland Inhabitants:

Peter Pan – will wear green tights, green tunic (maybe embellished with leaves) a belt made out of rope or leather, and a green hat. Please avoid greens that are too bright or florescent.

Shadow – black body suit. We can create a black hat to match Peter's.

Tinker Bell – Will wear green. All ensemble fairies will be wearing leotards, stocking, tutus, and wings. Tink should coordinate, but you are welcome to add detail and embellish her costume. Ballet shoes or Green satin slippers will work nicely for shoes.

Lost Boys (Nibs, Slightly, Curley, Twin #1, Twin #2, Tootles) - Lost boys will be dressed in navy, purple, and gray. The boys (and girls) will look like they've scrounged up their clothes (too big, too small, worn out, holes, dirty). Distressed denim, blue chinos, and sweat pants with jagged edges are all options for bottoms. Flannel shirts, tees, long sleeve shirts, distressed sweaters can all work for tops. Old/worn shoes (not sneakers and please no lightup shoes).

The costume committee will be gathering accessories for the "boys", but please add any accessories you find fun (rope belts, vests, hats, etc.). We will set the main cast apart by adding a nod to the animals in the Disney version. Costume committee will help gather these accessories.

Brave Girls (Small Brave Girl, Brave Girl #1, Brave Girl #2)- the girls will provide brown tops, brown leggings and brown shoes. They will be dressed in browns, orange and yellow. I'm in the process of making belts/skirts for all brave girls. We will set main cast apart with added accessories.

Tiger Lily – (will contact you to discuss details) will provide brown leggings and a yellow or orange shirt, brown shoes. I'm in the process of making belts/skirts for all brave girls and will create a similar skirt for Tiger Lily. We will set her apart using a headpiece as well as other accessories.

Captain Hook – is a well-dressed pirate. Start with black knickers and a white ruffled pirate shirt. Add a long red or black brocade vest or a coat with white ruffs and long black boots. Complete the look with a long, black curly wig, a black musketeer hat with red or black feathers and his signature hat.

Pirates (Noodler, Jukes, Starkey, Cecco) – will wear red and black (and white if wearing stripes) we want them to mix it all up, red, black, or stripped pants/skirts/tops. Black boots or shoes. No sneakers or lightup shoes. Costume committee we will gather accessories (belts, bandannas, vests, red sashes, pirate hats, maybe an eyepatch or two) but please feel free to add any accessories to your costumes. Main Cast pirates will wear pirate hats. **Smee**- to set Smee apart we are going to have him wear a striped blue shirt and red beanie.

Crocodile – You are welcome to be creative in putting this costume together! The production company suggests creating this look by attaching scales to the back of a green sweat suit, adding green shoes and a green baseball cap with teeth fixed to the brim. Alternatively, you can purchase a crocodile costume with headpiece.

Thanks so much for your help and commitment to making this performance amazing!
If you have any questions, don't hesitate to reach out.
