## Kid Yamoshi

Quiet, introspective, deadpan, arrogant, royal

Yamoshi is the prince of Sadala. Wishing to know the meaning of life, his goal is to meet God and ask them about it. He is a very calm, rational person, but he has a dry sense of humour that catches others off guard.

1 – [straightforward, earnest] “What is the meaning of life?.”
2 - [deadpan] “ I’m not a zombie. I’m Yamoshi. I want to ask you something.”
3 – [solem] “My mother…She died with pride.”

## Yamoshi

Kind, introspective, deadpan, wise.

Yamoshi later in his life. His experiences have made him far more open to the world around him, though he still hasn't found the answer he seeks. He still feels like an outsider amongst his battle loving people.

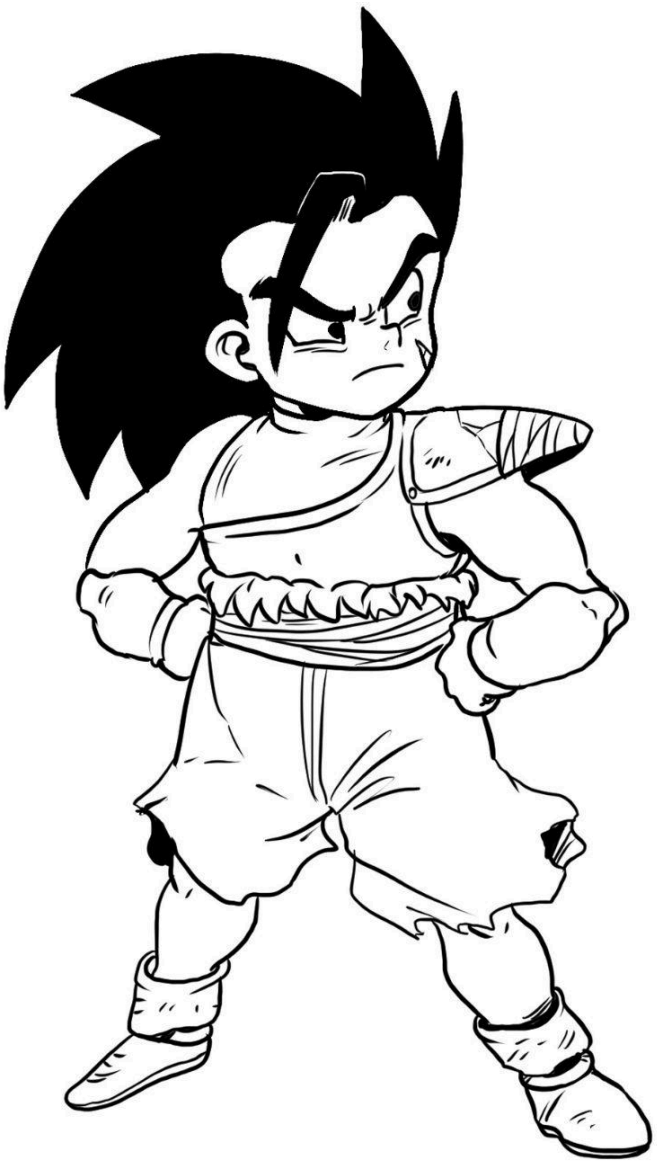

**Note: Yamoshi is the narrator for this story. Expect the most lines by FAR!**

1 – [Speaking from the heart] "What is the meaning of life?"

2 - [deadpan] "I'm not sure. The last thing I remember was dying."

3 – [angry] “What I’m feeling right now…Hurts a lot more than your punches!.”

4 - [calm, Narration] I lived on a world called Sadala. It was a massive planet. And every creature that lived upon it was titanic. My people, the saiyans, descended from the mighty oozaru. But we weren’t the strongest thing around. Far from it. The oozaru hunted, and fought in packs for their survival. Day and night. Fighting is in our blood. And the oozaru were the genesis. They fought everything they came across. And that included each other. One night… Their fighting led to destruction. No one knows for sure if it was in the heat of battle, or if it was an accident. But my people believed the first moon of Sadala was destroyed, because an oozaru wanted to prove itself.

## Kid Cumber

Rough, cheerful, dumb, kind, scrappy

Cumber is a street orphan, who isn't too bright, but loves fighting and seems to naturally make friends. He also is the strongest Saiyan who has ever been born, and wants nothing more than to have a truly close match with someone.

1 –[Cheerful] "Hey it's me Cumber!"

2 - [Confused] "Huh? Were you guys sent ta' jail too?"

3 – [disappointed] "Aw man, I thought you were strong…"

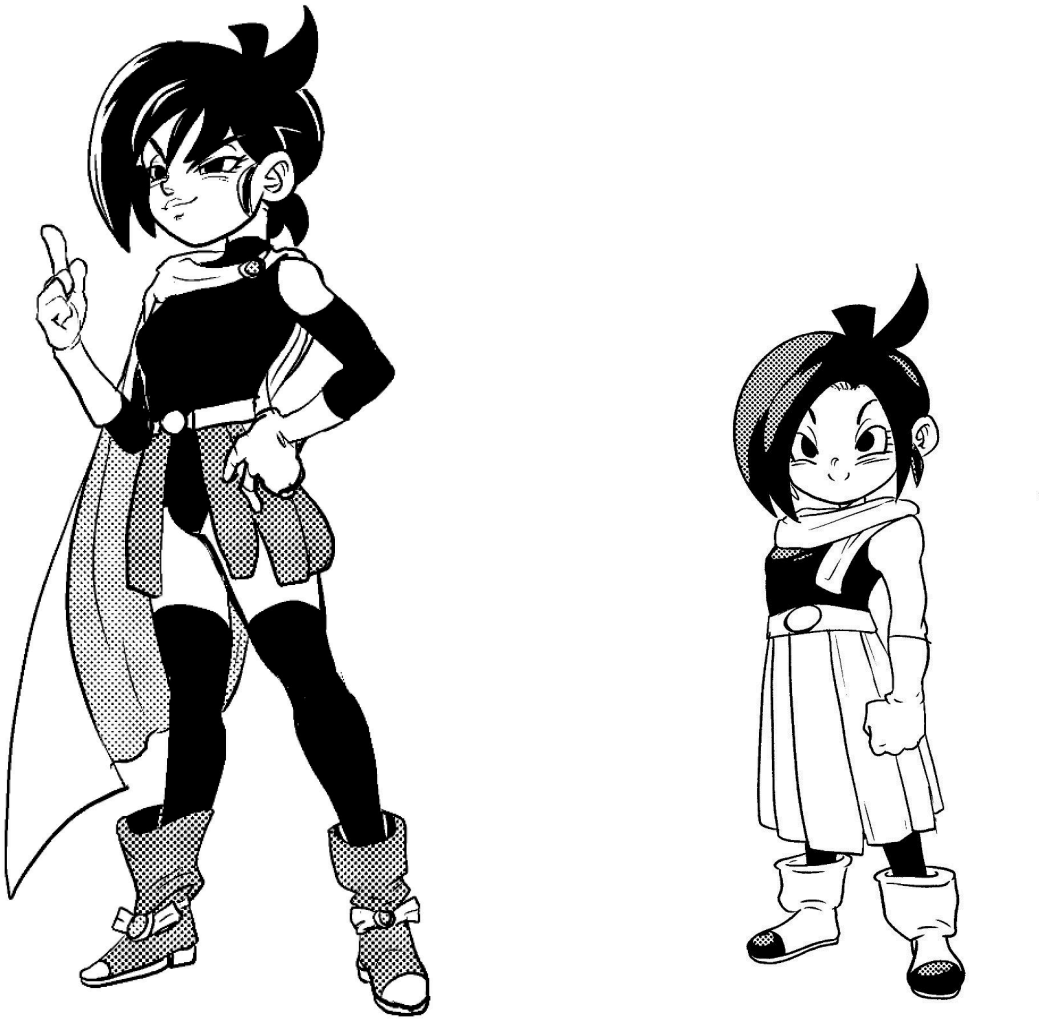

## Cumber

Booming, passionate, frustrated, earnest, friendly, selfish

Despite being an imposing giant, Cumber is still the same friendly guy he was as a child. But deep down, he has only grown more frustrated at not finding an opponent that can truly test him.

1 – [Cheerful] “I think anyone that loves fighting has gotta have a pure heart! ”
2 - [Getting fired up] “That’s the way. Haha! Now I’m getting excited!”

3 –[Angry,frustrated] “There will never, be **anyone**, **STRONGER THAN ME!**”

# Pamukin (Young and Adult) - Can audition separately

Fast-talking, showmanship, bossy, ditzy, protective

Pamukin is the world's first (and only) Saiyan Magician. She's not too bright, and gets carried away easily, but her heart is in the right place, which makes her uniquely powerful. Her goal is to put on a performance for the entire planet, and make everyone's dreams come true.

1 – [fast, bouncy, bubbly] "Now that's Super Creepy! Do you stalk women?! Are you here to kill me?! NO, ARE YOU A FAN!? I've never met a fan before, I should give you an autograph, but I don't even know how to write my name! I can't afford to take the time away from my career. I'm a performer!."

2 - [confused, rationalising] "They're all just…Kneeling. I guess they must have been warned of my arrival!"

3 - [angry, pouting] "And whose fault is that? You sure know how to complicate things."

# Etana (Kid and Adult) - Can audition separately

Boastful, insecure, curious, artistic, soulful

Etana is a Namekian that encounters Yamoshi's spirit. He's a warrior type, but pathetic at fighting. Lacking a place among his culture, he becomes a writer, yet remains unsatisfied and unsure of himself.

1 [KID] – [sad] "What's the point of fighting…?"

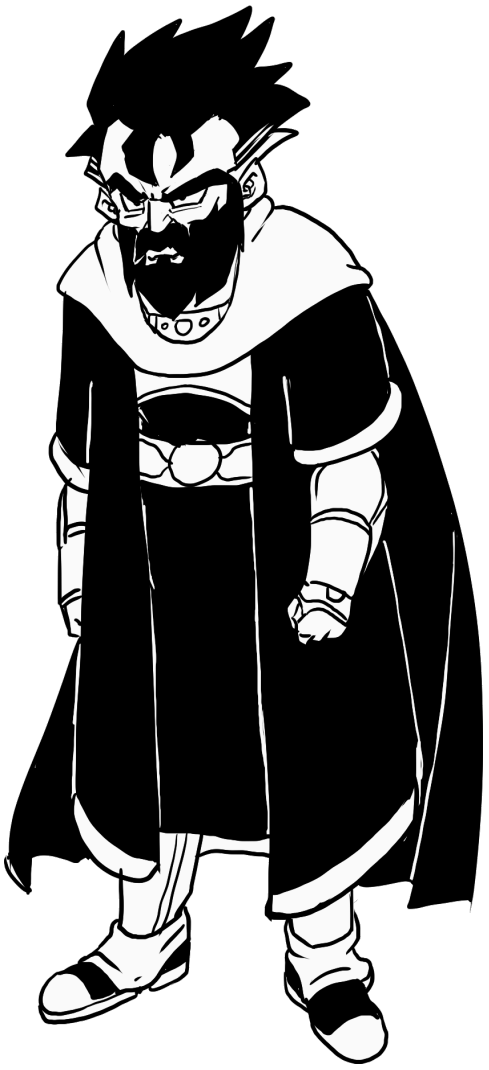

2 [KID] – [indignant] "Well, just look at yourself! What self-respecting ghost doesn't know who or where they're haunting!"

3 [KID] – [earnest] "Stories need heart. Otherwise, they can't be passed on."

4 [trying to be kind] "Hey listen you're fine. You're fine. We all make mistakes."

5 [Bitter] "No one cares about my story, they just want to hear yours. **Continue.**"

6 [storytelling, hamming it up] "How did this battle go for the solemn prince? I'll tell you…Next time on The Legend of Yamoshi!"

## King Sadala

Tired, battle-hungry, bitter, wise, royal

The king of planet Sadala and Yamoshi's father. He brought peace to his planet by being strong enough to end all wars. The Saiyans loved war, so he's not very popular.

1 - [tired, grumpy] - "I can't take much more of this. I'm starving. I need something interesting. Fire…Battle…. "

2 - [excited] - "Fantastic, my son. You'd have made your mother proud!"

3 - [shaken, excited, thoughtful] "Genius. Many gifted Saiyans have earned that title, born with potential that surpasses the rest of our kind. I've seen countless geniuses. But I have **seen nothing** like that boy. He's no Saiyan…He's a **Monster.**"

# Mint

## Cowardly, cunning, jealous, lucky

Mint is the advisor to King Sadala, his oldest companion. He wishes to take the throne for himself, and everyone knows it. His attempts to take over are just entertainment for the King. Much to Mint’s chagrin. He’s the straight man on a planet of lunatics.

1 - [faking sincerity] - “It's so good to see you back on your feet my prince. We were very worried when you left the castle, so I personally led the search party.”

2 - [sinister] - “I’m afraid there's been a change of plans, my lord…”

3 - [tired, had enough of these weirdos] - “My lord, I'll be in the wine cellar…”

## Yucca

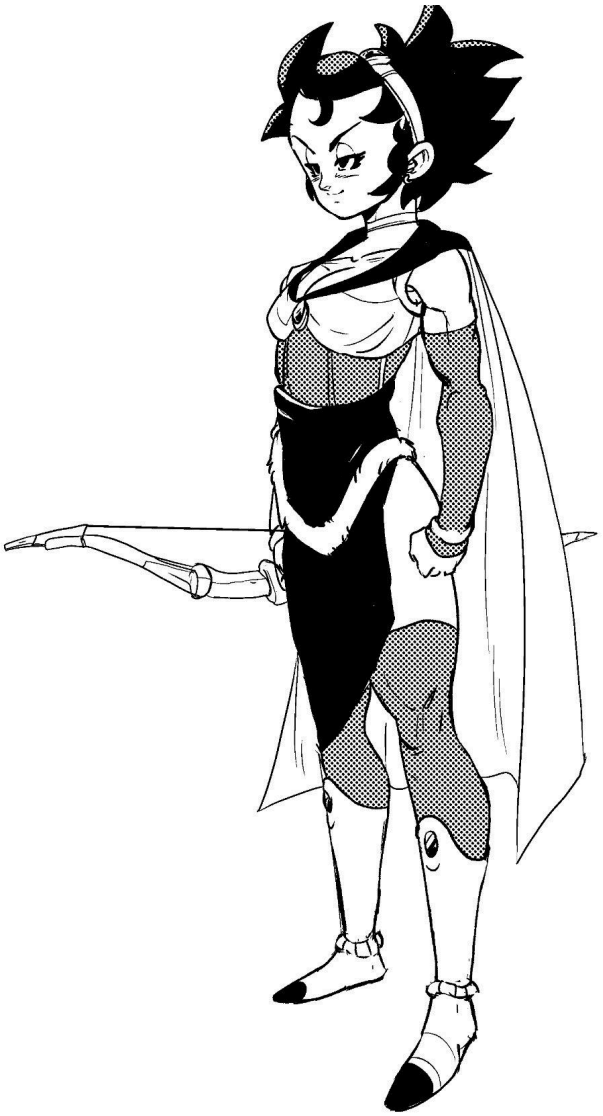

Seductive, older than she appears, egotistical, whimsical.

Yucca is a mysterious saiyan with great power. She knows more than any other character, but she doesn't mind sharing it. Yucca just wants to have fun, and values beauty above all else.

1 - [Teaching, gentle] "We can not avert our eyes from anything. The universe shows itself to us, and we must be brave enough to never blink in its presence."

2 - [teasing] "No harm in checking in on your pretty girlfriends now and again."

3 - [competitive' "Ah, but I only have an appetite for victory."

## Queen Sadala

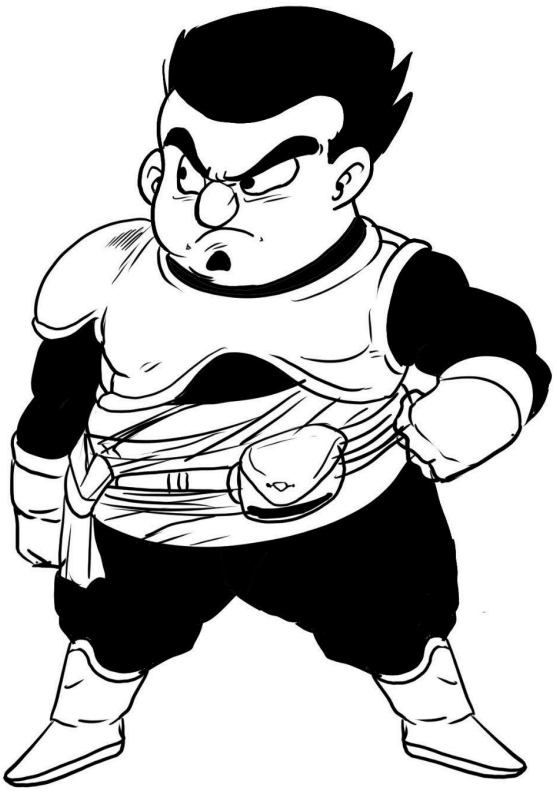

Depressed, dreamer, hunter, royal

Queen Sadala passed away before the beginning of the story, but her presence is felt strongly throughout it. The royal by birth, her marriage to her strongest champion,n left them both with an unstoppable partnership. However, being unstoppable, can be the saddest fate for a warrior Queen…

1 - [caring, earnest] “This world is harsh. But I know you’ll be fine. Overcome your trials and become anything you want.“

2 - [Existential] - “What is…Life’s meaning?

3 - [Battle/Attack name shouting] - “Sunlight….SHOT!”

# Vena

## 1940s Mobster, loyal, battle genius, chill

Vena is King Sadala's most trusted soldier, and Pamukin's father. Not the strongest, but the one who has earned the most respect. He's got a good heart, but like all saiyans, likes a good scrap, even if it means a bit of blood. That's just the business, y'know?

1 - [warning, frantic] - "Ey boss! There's something goin down at the west gate!"

2 - [proud] - "Can't believe my little girl pulled a fast one on ya boss, she's a doll."

3 - [annoyed] - "Settle down ya bozo, and listen to the lady."

# Habana

## Intimidating, sarcastic, stuck in a rut, feisty

Habana is the leader of Sadala's rebel faction. She's vastly out gunned, and has no real cause to fight for, other than the fight itself. She doesn't like her situation, but it's the only idea she has to try and keep the planet's growing desire for combat from erupting.

1 - [dejected] - "It's up to us to do the best with whatever we're given."

2 - [angry, exasperated] - "HOW COULD YOU BE SO STUPID AS TO BRING BACK MORE SOLIDERS!?! I'M RUNNING A REBELLION NOT A HOME FOR WAYWARD SOULS!!"

3 - [cocky, confident] - "The arrangement is now void."

# Lord Chilled

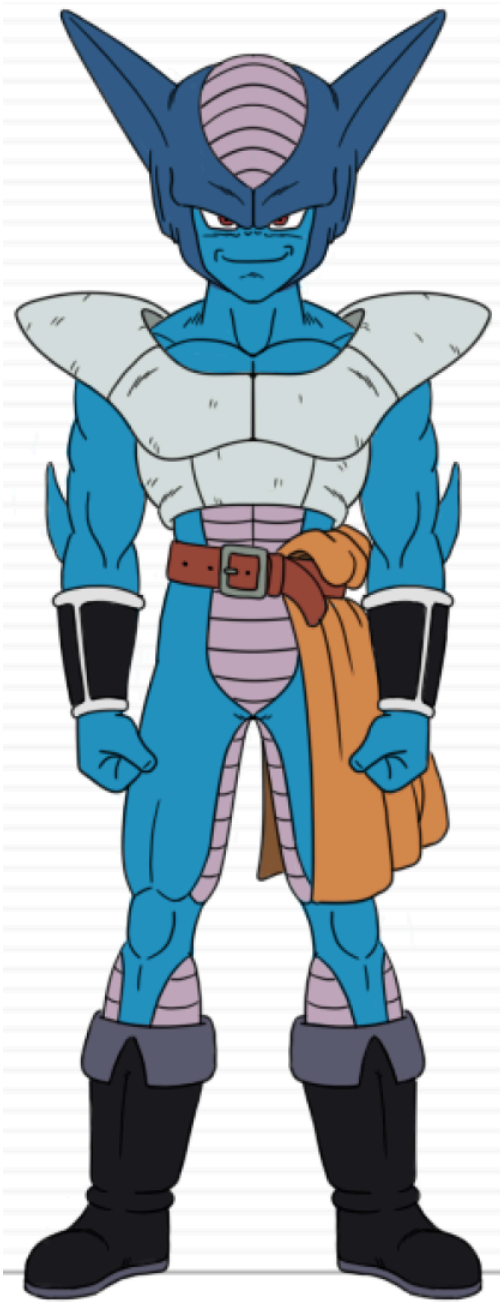

## Young, inexperienced, powerful, aristocrat (should sound similar to Freeza)

Chilled is a space pirate, with a small crew and a dream. He wants to become Emperor of the universe, and no one is strong enough to stop him. At least, so it seems.

1 - [gloating] - “I am the notorious space pirate, Chilled! You would do well to remember that name, and tremble at the sheer power it conveys!"

2 - [dismissive, annoyed] “I don’t really care, old geezer. “

3 - [angry] “**You were made to die by my hand!”**

# Tobi

Gutsy, knucklehead, determined, loud

Tobi is one of Chilled's two crew mates. He's incredibly loyal to his Captain, but still has his own dreams, maybe even bigger in scale than Chilled's own!

1 - [bold, determined] "Our captain trusts us to take care of you guys, and I'm not gonna let him down!"

2 - [sassy] "I dunno, it might be too much for Fish Brain to handle."

3 - [Surprised] "Gah! Don't just do that out of nowhere, y'know!"

# Cavira

## stubborn, short-tempered, strong-willed, and impulsive

Cavira is one of the two members of Chilled’s crew. Often having to mediate between Tobi and Chilled, Cavira sometimes feels like the real one in charge. However, despite his gruff exterior, he has nothing but respect for the Captain.

1 - [annoyed, calm] “Yeah, I figured that was a lie. You and Tobi are way too naive.”

2 - [excited] “This planet is interesting after all.“

3 - [ frustrated, in danger] “That lousy Raccoon's a loud mouth, but he’s right. We’re gonna cut you down!”

After you're cast, we'll present you a list of the available extra options, and you can take your pick!

1 - "DIE! PEACE BRINGER!"
2 - "What was in that kid's food…?"
3 - "Shouldn't you focus on your own tales? That'd be far more rewarding."
4 - "Haha, you can't catch me! I'm way too strong right now!" - kid voice
5 - "Do you need any help? Can you beat him?"
