

Student Scrapbooks 1881+

Over 350 scrapbooks and memorabilia books of Smith College students are located in the College Archives. This listing provides a glimpse into the materials. This is not an exhaustive list. Feel free to request a box and enjoy entering the world of a Smith College undergraduate. Search for their names in our [Finding Aids](#). Many of the scrapbooks are oversize (OV) and do not have a box number. When requesting this material, please use the "Class of", and "Student name" information on the call slip. Please be careful when you look at the scrapbooks. Many are fragile and in poor condition!
