

COMMISSION TERMS & CONDITIONS

By commissioning me, the client agrees to the following Terms & Conditions.

1. PRICES

The following are my base commission prices:

Commission Type	Price
Bust	USD \$15–20
Half Body	USD \$20–25
Full Body	USD \$35–45
Individual Chibi	USD \$5
5-Chibi Sheet	USD \$15

- Final pricing within these ranges depends on complexity, amount of detail, rendering, and specific requirements.
- These are base prices and may be adjusted for particularly complex requests.
- **Additional characters:** +50% of the final commission price per additional character.
- Commercial use, merchandise, and other profit-oriented uses are subject to an additional fee, agreed upon depending on the project.

2. PAYMENT

- Payment is split into two parts: **50% upfront and 50% upon completion.**
- Work will begin once the first 50% payment has been received.
- The final high-resolution artwork will be delivered once the remaining 50% has been paid.

3. CHANGES & REVISIONS

- **One revision is included at no additional cost**, preferably during the sketch stage or before the sketch is approved.
- Once the sketch has been approved, major changes to previously approved elements may incur an additional fee.
- Minor changes that do not require a significant amount of rework may be handled at my discretion.

- **Major last-minute changes requested after the artwork has been completed will be treated as additional work and may be charged at the full price of the corresponding commission.**
- If a change requires a substantial portion of the artwork to be redrawn, an additional fee of **10–20%** may be charged depending on the amount of work required.

Mistakes made by the artist will always be corrected at no additional cost.

4. ESTIMATED DELIVERY TIME

- The estimated completion time is **3–14 days**, depending on the complexity of the commission and my current workload.
- This is an estimate, not a guaranteed deadline.
- Delivery times may be extended if references, information, or approval from the client are delayed.

5. CANCELLATIONS & REFUNDS

- If the client requests a cancellation before work has started, a refund will be issued.
- If work has already started but has not progressed significantly, a refund may be considered depending on the current state of the commission.
- Once the sketch has been completed or the commission has reached an advanced stage, **no refunds will be issued.**
- If the commission is cancelled due to a decision on my part, the client will receive a refund for any work that has not been completed.

6. PERSONAL USE

- The client may use the finished artwork for personal purposes, including social media, profile pictures, wallpapers, etc.
- The client may post the commission on their social media.
- Credit/tagging the artist when posting the artwork is appreciated.
- The client **may not claim authorship of the artwork or present it as their own work.**
- The artwork may not be resold, redistributed, or used commercially without prior permission.

7. COMMERCIAL USE

Commercial use must be discussed and agreed upon before the commission is used commercially.

This includes, but is not limited to:

- Merchandise.
- Physical products.

- Advertising.
- Promotional material.
- Brand or business use.
- Selling reproductions or products featuring the artwork.

Commercial use is subject to an **additional fee**, determined according to the type, scope, and purpose of the commercial use.

8. PORTFOLIO & PUBLICATION

I reserve the right to display completed commissions in my portfolio, Instagram, or other social media platforms for promotional and portfolio purposes.

If the client requires the commission to remain private or unpublished, this can be discussed beforehand.

9. CONTENT

I accept **SFW and NSFW content**, as long as the requested artwork is reasonably possible for me to create within my artistic abilities and limits.

I do not accept:

- Minors or underage characters in sexualized content.
- Real animals or non-anthropomorphic quadrupeds in sexual content.
- Requests that I cannot reasonably complete due to technical or artistic limitations.

Anthropomorphic characters may be accepted depending on their design and the nature of the commission.

If I am unsure about a request, I may ask for additional references or decide whether I am comfortable accepting the commission.

10. ARTIST RIGHTS

The artist retains the copyright and authorship of the artwork unless otherwise explicitly agreed upon.

Purchasing a commission does not automatically transfer copyright or commercial rights to the client.

By making a payment or confirming a commission, the client acknowledges that they have read and agreed to these Terms & Conditions.
