

# ATM

3-PK-ATM-S-N

## EQUIPMENT

- Industrial CPU Intel i7 9750H 2.6 ~ 4.5GHz 6 Cores.
- RAM: 16GB DDR4/Almacenamiento: 500GB SSD.
- 17" TFT LCD monitor with vandal-proof capacitive touch screen.
- Advanced graphics system.
- LED lighting system.
- Industrial thermal printer.
- Support for fiscal printer.

## Coin Recycling

- Accepts and recycles up to 16 different configurable coin types.
- Programmable coin selector.
- Hopper recycling and self-loading system.
- Variable capacity hopper. Estimated at 1500 € 1 coins.
- Security drawer with capacity for 3000 coins.

## Banknote

- Recycling Accepts and recycles up to 16 banknote denominations.
- Rejection of counterfeit bills or a reading error.
- Stacker for 1000 bills.
- Recycling of 80 configurable bills.
- Illuminated ticket entrance front.

## 100% TPC / IP communication

- Guided operation by voice.
- 125Khz proximity card reader.

## ACCESSIBILITY

- Speakers with pre-recorded messages.
- Touch screen with large buttons and high contrast.
- Use of pictograms.
- Multiple language selection.
- Illuminated indications in the banknote slot, the ticket reader and the EMV terminal.

## ENVIRONMENTAL CONDITIONS

### Operation

- Temperature range: -10°C ~ 50°C.
- Humidity: 5% ~ 95% (without condensation).

### Storage

- Temperature range: -20°C ~ 70°C.
- Humidity: 5% ~ 95% (without condensation).

## ELECTRICAL CONDITIONS

- Supply voltage: 110 ~ 240 VAC / 50 ~ 60Hz.
- Consumption at 220V 2A.

## PHYSICAL CHARACTERISTICS

- Body painted with thermo-convertible polyester powder paint.
- Doors with different locks and 4-point anchoring.
- Dimensions: 1600 x 750 x 480 mm.
- IP 54

## OPTIONAL ON REQUEST

- NFC reader with PCI PTS 5.1 security certification
- Motorized or external contactless card reader and writer (Mifare, Desfire, EmMarin).
- Uninterruptible power supply (UPS).
- Temperature and humidity control with heating and forced ventilation.
- Facial recognition camera.
- Wheelchair-friendly height.
- Second hopper to double capacity.
- High-capacity bill dispenser.
- Stainless steel construction.
