

# **ADVANCED PREP UNITED STATES HISTORY - SUMMER 2025**

## **INTRODUCTION:**

Hello! I am looking forward to working with you as your Advanced Prep U.S. History teacher for the upcoming school year. We will cover the U.S. History I content while following the guidelines for the AP United States History course. You will **NOT** take the AP exam at the end of the upcoming school year. As long as you maintain good academic standing in this course, you will go on to take the APUSH course during the 2026-27 year and take the AP exam in May 2027.

Please see the information below and join the Advanced Prep U.S. Summer 2025 Google Classroom. You will need to complete the assignments posted. Please email me with any questions.

## **SUMMER TOPIC- PERIOD 1 (1491-1607):**

You are responsible for reading the content of this first unit over the summer in preparation for the start of the school year and completing the summer assignment. We will spend a very short amount of time on Unit 1 in September as this unit makes up only 4-6 % of the total APUSH exam. You will have a Period 1 key terms assessment and a regular Period 1 assessment in September.
