[ANN][ICO][LANC] LANCECHAIN - THE FIRST 0% COMMISSION FREELANCE PLATFORM

LanceChain is a decentralized blockchain based marketplace for freelance work, which charges 0% commission and works with no central authority.

By removing the middleman between the freelancer and the business owner, LanceChain ensures that outrageous fees are not given away to platforms.

On top of that, it has additional security on every deal, achieved by the Ethereum smart contract escrow system and the unique dispute settlement process.

Our special approach towards talent management and innovative talent vetting program will enable the business representatives hire top professionals quickly and wisely. With LanceChain both the project owners and the freelancers can count on direct communication and uncensored, dependable and immutable ratings and reviews.

## Unique features

- ❖ 0% commission on each deal, no matter if it's hourly rate or fixed fee model
- ❖ No censorship due to the nature of blockchain
- ❖ Guaranteed payments
- ❖ Clear terms and conditions
- ❖ Opportunities to earn more by participating in various processes within the platform
- ❖ One of a kind dispute settlement approach, providing additional security
- ❖ Support of the blockchain community
- ❖ Unbiased, free choice

## Market Size

The capitalization of the freelancing economy for 2017 is 1.4 trillion US dollars.

If only 0.1% of the Freelancer community were to use our platform – which is feasible for our project - the amount of money in circulation on LanceChain would exceed \$1,400,000,000 USD.
