

2025 APSI Announcements (for Walton Online)

PARTICIPANT SHARE SESSION FORM

1. Please stay logged into Canvas with your camera on as much as possible.
2. Best practices for group work, introduce yourself to new members, keep camera on, somebody share a screen and everyone work together as much as possible.
3. Shared Google Drive Folder Invitations are sent, you need to accept the invitation to join Google Group
4. Don't forget to work on your semester or year-long instructional plan?
5. Look for an invitation to Secure-PGP soon. I did use your personal gmail address if I had it. It is a google group and google website, so those gmail addresses will probably work better.
6. Recommendation (If you want paper to refer to this week and next year) - From the CED Print out the Equation Tables (pp. 164-166), the Science Practices (p. 14), and the Course at a Glance (pp. 18-20)
7. FROM PASCO: As promised, we have a \$100-off coupon for all of your summer workshop participants. To claim their coupon, please have your participants go to <https://www.pasco.com/summerscience> and complete the form. An email with the coupon code will go out shortly after completing the form. Feel free to use the same link for all participants at any/all summer workshops that you're leading this year.
8. Highly Recommended: join "National AP Physics Teachers" Facebook Group! It's worth joining FB for, if you are a first-year AP Physics Teacher. Don't bother with the other "AP Physics Teachers" group, gets very little traffic.
9. Don't let me forget the Raffle on the last day!

Marc Contact Info - Text me at 479.422.4291 or email at marc.price.reif@gmail.com

Sharing your email address

- Vernier.com wants your email address and will give you a discount coupon if I send it to them. I will send your email address to Vernier. Pasco I will send you the URL
- You should get an invitation to Secure-PGP soon (Pretty Good Physics).
- If you DO NOT want your email address shared, send an email to marc.price.reif@gmail.com

Last Day Evaluation Instructions

You will be emailed an evaluation on the next to last day of the workshop. Please complete it!
