Reading

Question Type: True/False

Read the text and answer the questions. Write T or F at the end of each question/statement.

The best place to shop for a bargain is a yard sale. Many people in the U.S. have yard sales. They gather things from their home that they don't use anymore and put them out in the front yard for other people to buy. You can buy almost anything at a yard sale, but there are usually clothes, appliances, toys, furniture, and DVDs. Usually these things are in good condition and the owner just doesn't need them anymore. Items at a yard sale are usually very cheap, so you can get good bargains. Some people go to yard sales every week. They drive around neighborhoods every weekend looking for bargains. Sometimes they look for items that they can sell to someone for a higher price at their own yard sale!
