

INFORMATION LETTER

INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE ON

**"INNOVATIVE METHODS IN FRUIT AND VEGETABLE PRODUCTION AND ISSUES
OF INCREASING PRODUCTIVITY"**

TO BE HELD ON JUNE 24, 2026,

AT TASHKENT STATE AGRARIAN UNIVERSITY

TASHKENT 2026

INFORMATION LETTER

In order to ensure the implementation of the Resolution of the President of the Republic of Uzbekistan No. PP-200 dated July 3, 2023 "On measures for the effective organization of state management in the field of higher education, science and innovation within the framework of administrative reforms", Paragraph 9.1 of Appendix 8 to the Resolution of the President of the Republic of Uzbekistan No. PP-135 dated April 11, 2026 "On additional measures to improve the activities of the Tashkent State Agrarian University", and Order of the Minister of Higher Education, Science and Innovation No. 11 dated January 16, 2026 "On approving the plans for international and republican scientific and scientific-technical events to be held in 2026", we cordially invite you to participate in the International Scientific and Practical Conference on the theme **"Innovative Methods in Fruit and Vegetable Production and Issues of Increasing Productivity"**, to be held on **June 24, 2026**, at the Tashkent State Agrarian University.

Conference languages: Uzbek, Russian, English.

The conference will be conducted in both traditional (offline) and remote (online) formats.

CONFERENCE SESSIONS:

1. Current Status and Development of Fruit-Growing, Vegetable-Growing, Viticulture, Melon Production, and Potato Cultivation in Various Regions; the Role of Innovative Technologies in Enhancing Product Quality and Yield.
2. Breeding and Seed Production of Fruit, Grape, Vegetable, Melon Crops, and Potatoes; Introduction of Less Common Crops and Modern Technologies for Their Cultivation.
3. Effectiveness of Implementing Innovative Technologies in Protecting Fruit, Grape, Vegetable, Melon Crops, and Potatoes from Diseases and Pests.
4. Importance of Soil, Organic, and Mineral Fertilizers in Increasing the Quality and Productivity of Fruit, Grape, Vegetable, Melon Crops, and Potatoes.
5. Problems and Solutions in the Storage, Processing, Drying, and Packaging of Fruit, Grape, Vegetable, Melon Products, and Potatoes, and Enhancing Their Export Potential.

REQUIREMENTS FOR CONFERENCE MATERIALS

Conference materials will be compiled into an electronic proceedings collection and distributed to all participants. Submitted materials must reflect the relevance of the topic, the literature review (degree of study), the purpose and objectives of the research, its practical significance, research methods, experimental results, and their analysis and conclusions. Please note that materials not formatted in accordance with the aforementioned procedure will not be included in the conference abstracts collection and will not be returned to the authors.

Articles submitted to the conference will be published as a special issue in the scientific journal **"BULLETIN OF AGRICULTURAL SCIENCE OF**

UZBEKISTAN", which is indexed in the HAC (Higher Attestation Commission) list. The collection will be uploaded to the official website (<https://agrosience-tdau.uz>) within 25 days following the conclusion of the conference.

Relevance. The article must be written on a highly relevant topic corresponding to the above-mentioned sessions and must include the results of independent research. Furthermore, the materials must not have been previously published or subsequently submitted to other publications.

Responsibility. Authors bear personal responsibility for the content and grammatical accuracy of the materials submitted to the Organizing Committee. Therefore, articles should be prepared with meticulous care.

The recommended article length is **4 to 8 pages**, and the number of authors should **not exceed 3 people**.

Formatting Requirements:

Page format – A4 (210×297 mm);

Margins (top, bottom, left, right) – 20 mm;

Font size – 14 pt;

Font type – Times New Roman;

Line spacing – 1.0;

Pages should not be numbered.

Sequential Order of the Article:

[UDC] (can be found on the website <https://agrosience-tdau.uz>).

Title of the article (in the language of the article layout).

Full name of the authors (Surname, First Name, Patronymic) (in the language of the article layout).

Academic degree and title, place of work or study, city.

Author's email address (e-mail).

Abstract (100-200 words) (in Uzbek, Russian, and English).

Keywords (7-10 words) (in Uzbek, Russian, and English).

Text of the article.

List of references (Bibliography).

When translating the article title, abstract, and keywords into Russian and English, the use of machine translation tools (such as Google Translate, Yandex Translate, PROMT, and similar services) is strictly prohibited.

Abstract. A brief summary of the article, which includes the relevance, objective, research methods, and obtained results.

Keywords. The most significant words in the article that accurately characterize the topic and field of research.

Figures and tables must be numbered. Table titles must be centered at the top, while figure captions must be centered at the bottom.

The reference list is formatted under the heading "References" (Список использованной литературы) in compliance with the GOST R 7.0.5-2008 standard.

In the text, the source number from the list is indicated in square brackets. For example: [5], [2, 5].

Note: The scientific article, with a length of 4 to 8 pages, must be submitted in electronic format. The electronic submission must contain only one paper per file. The file name must consist of the first author's surname and the session number. For example: *D.Janakova. Session 5.rtf*.

The file must be saved in ***.rtf** format.

The publication fee for the article is set at **250,000 (two hundred fifty thousand) UZS**.

All submitted articles will undergo a peer-review process. Materials that do not align with the conference theme, fail to meet the publication guidelines, or do not pass the peer review will not be accepted for publication and will not be returned to the authors. Please send your materials to the following address.

Organizing Committee of the Conference: Tashkent State Agrarian University, Faculty of Fruit and Vegetable Growing and Viticulture.

Conference Officials in Charge: Head of the Department of Vegetable Growing and Greenhouse Management, Associate Professor **Z. Abdiyev** (+998 90 928-06-21); Head of the Department of Fruit Growing and Viticulture, Professor **I. Namozov** (+998 99 896-49-82).

Scientific articles will be accepted via Telegram to Durdona Janakova (+998 97 721-03-82, *Durdona Ulugbekovna*) **until June 24, 2026**.

Bank card number: 5614 6887 0311 5559 (Durdona Janakova).

REGISTRATION FORM (APPLICATION)

For the participant of the International Scientific and Practical Conference on
"Innovative Methods in Fruit and Vegetable Production and Issues of Increasing Productivity"

Conference Participant Registration Card	
Author's full name (Surname, First Name, Patronymic)	
Institution, place of work or study	
Current position, title	
Academic degree and scientific title	
Email address	
Phone number (including city/country code)	
Title of the presentation (paper topic)	
Conference session	
Data	

Address: 2, Universitet Street, Qibray District, Tashkent Region, TSAU (Tashkent State Agrarian University)
