

Privacy Policy for Islamic Guide

Effective Date: March 5, 2026

This Privacy Policy explains how we handle your information when you use the Islamic Guide mobile application.

1. No Personal Data Collection

The Islamic Guide app is designed for everyone to use without any account creation or login. We do not collect, store, or share any personal information such as your name, email address, phone number, or location.

2. No Ads and Third-Party Tracking

Currently, this app does not display any advertisements and does not use any third-party tracking services. Your usage remains private and offline.

3. Permissions

The app only requests permissions that are strictly necessary for its core features to function. It does not access your private files, photos, or contacts.

4. Children's Privacy

Since we do not collect any personal data, this app is completely safe for children and users of all ages.

5. Changes to This Policy

We may update this Privacy Policy in the future if we add new features. Any changes will be updated here.
