Sacred Selections Atlanta

SPONSORSHIP OPPORTUNITIES

Every day couples and families turn to adoption as a way to help fill their homes with love. Their hearts are set to bring a child into their lives in order to complete the family they have always wanted. As they begin to research how best to navigate the adoption process, their hopes are often dashed by the costs involved. With an average cost of $45,000 for domestic adoption, many families are unable to afford these upfront costs.

Families who meet the qualifications can apply for a grant from Sacred Selections to help make their adoption affordable. Established in 2007, Sacred Selections has provided grants for over 512 domestic and international adoptions! Sacred Selections has been blessed to receive funds from private companies to cover all administrative costs. Therefore Sacred Selections is one of the few not-for-profit organizations that are able to donate 100% of fundraiser proceeds to the grant recipients.

With your support, we can reach our goal and fulfill the hopes of two families. Your financial commitment to partner with us will help cover our event costs. In return, we will provide one or more advertising opportunities along with complimentary tickets to join us at our event.
